

**GLASGOW
DOORS OPEN DAYS
FESTIVAL**

SPONSORSHIP OPPORTUNITIES 2024

Hold the door!

Glasgow Building Preservation Trust (GBPT) is pleased to share these opportunities to be part of Glasgow Doors Open Days Festival 2024.

Organised by Glasgow Building Preservation Trust, Glasgow Doors Open Days Festival (GDODF) is an annual event celebrating the city's architecture, culture & heritage. Each September we bring together dozens of participants who throw open the doors of over 100 historic buildings, including theatres, museum stores, factories, studios, breweries & more, across the city, to the public, for free.

With over 30,000 visits being made to events in 2023, the festival is a much loved staple of the Glaswegian cultural calendar:

- 94% of visitors said that the event enhanced their view of Glasgow.
- 97% of visitors said that they would definitely attend again.
- 98% of visitors said that they would definitely recommend the festival to others.

Watch our 2023 highlights here: <https://youtu.be/OdJhaEkxfeU>

Partner with GBPT to support GDODF and join a growing assembly of organisations and businesses who champion heritage and culture as the key to a sustainable and prosperous future for Glasgow.
